

2023 CPS Netball Club Report

Another successful year for the Clovelly Netball Club. In 2023 we fielded 9 teams with almost 90 kids partaking in the 2023 netball season.

Once again the fundraising BBQ was hugely successful raising almost \$5000. We would once again like to acknowledge *The Meat Store* who generously supplied the meat for the BBQ.

Funds raised from the BBQ have been used for:

- Kat McGrath private coaching sessions for teams
- all equipment for teams (balls, bag, training equipment, bibs)
- welcome gift for all players in year 2 & 3
- year 6 farewell gift
- fully subsidised uniforms for year 6 players
- online coaching resources

Our year 6 netball team (Cobras) had a very successful season. They finished 3rd in division 1. This is the best finish a Clovelly team has had in a long time. Congratulations to their coaches Matt & Alison. Also a special mention to their always organised and efficient team manager Dee.

2023 saw many new friendships formed, games won and lost, new skills learnt and a beautiful community brought together all through netball. Despite the challenges of two teams training on a reduced size netball court during the hall renovation, the club has continued to grow and prosper. I witnessed teams coming together to train, respect and thoughtfulness for others during training and amazing coaches who had to completely adapt their training session to allow for the small space.

Most of the teams are coached by volunteers. Some of our coaches know a lot about netball, however others only began their netball journey in 2023. Without these coaches, our club could not function or operate. I would like to thank all the 2023 coaches, who give up their time to foster the love of netball to the next generation.

Finally I would like to thank the 2023 committee members Joh, Lydia and Lieke who have been a great support and sounding board.

Lisa Bristowe
Netball Chair
